Just for Fun: If you could automate (make a robot do it) one thing in your life, what would it be?

- A mini bumblebee from transformers
- A robot that does everything for me
- A typing robot
- Any form of paperwork
- Clean
- Clean my room
- Clean the dishes.
- Clean the house :)
- Cleaning
- Definitely have it fold all my laundry!!!
- Do my home work
- Do my taxes and bills when I am older.
- do my work and correct my grammer
- Everything
- Go to school for me
- Going to school for me.
- Help my mom
- homework
- Homework
- I would automate a robot to do my homework.
- I would make it clean my room
- I would make the robot make money for me.
- Id want a robot that could produce fresh fruit no matter the weather
- IDK
- Make oatmeal in the morning because I dont wake up early enough to have the time.
- My art
- My homework.
- Printing real money.
- Probably to brush my teeth so I don't forget.
- SCHOOL!
- shower because washing my hair is annoying to do
- to make world famous
- Transport me to where I need to go
- washing hands
- ???
